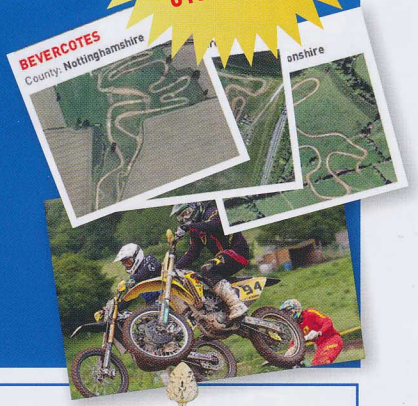
CALLING ALL LANDOWNERS

FOR FURTHER INFORMATION, PLEASE VIEW THE AMCA WEBSITE OR CALL OUR DEDICATED DEVELOPMENT OFFICER ON 01543 466282

The AMCA remains the only association to own land and has hundreds of acres tied up nationally in long term lease agreements. The AMCA is well versed in many land management issues and is always on the look out for new land opportunities.

Any land would be welcomed for a viewing upwards of 25 acres. Great diversification for landowners without any outlay. Landowners are fully indemnified under the AMCA insurance and we welcome approaches from just one day per year to something far more regular.



TROPHIES ARE NOW AVAILABLE FROM THE AMCA

COMPLETE SETS OF TROPHIES AVAILABLE FROM ONLY £105 (7 RACES, TOP 3)

Trophies now available again from the AMCA. Just complete the trophy order form with your event pack, or contact us for details.

FLAG GUIDE

YELLOW FLAG WITH BLACK DIAGONAL STRIPES
Commencing last lap.

CHEQUERED FLAG (FINISH)
White with Black squares.

RED FLAG
To be used only for stopping races. All riders should then stop and cut engines.

YELLOW FLAG
Slow down. Caution. Do not overtake. Take extreme care, there may be someone injured on the circuit.

BLUE & WHITE FLAG
For Track Maintenance. When a section of track needs repair, the nearest marshal raises the blue and white flag aloft during the race to attract the attention of the track maintenance crew, or the commentator, to the section of the track which requires attention, i.e. ropes and stakes need replacing. Riders need not stop when this flag is shown.

BLACK FLAG
A rider signalled with a Black flag should stop at once. When a rider is black flagged a marker board showing his/her racing number will be shown at the same time.

BLUE FLAG
For directing riders off the course after the finish of a race and practice. Must be positioned at least 36.5 metres past the finish line.

TRACK CLEAR - At the end of a race, when a travelling marshal is not used, it is recommended that Yellow and Blue/White (track maintenance) flags are held overhead in a crossed position.

WHITE WITH A DIAGONAL RED CROSS - For attracting the First Aid to distant parts of the track.
